

Rolling Cash Forecast App – Wireframe Overview

Dashboard View

Displays current balance, forecast calendar (color-coded), next 7-day projection chart, and summary.

Add/Edit Item Modal

Form fields: Name, Amount, Start Date, Frequency, Type (Income/Expense), Save/Delete buttons.

Threshold Settings

Input field or slider to set alert threshold. Value stored in user settings.

Calendar Component

Each date cell is green if above threshold, red if below. Clicking a day shows inflows/outflows.

Meme Alert History

Table showing: Date | Meme Description | Delivered (Y/N).
