Terms & Conditions and Developer Prompts

Terms and Conditions

1. Acceptance of Terms

By creating an account and using our application, you agree to be bound by these Terms and Conditions ('Terms'). If you do not agree, do not use the app.

2. Eligibility

You must be at least 18 years old and legally capable of entering into this agreement.

3. Use of the App

You agree to use the app only for lawful purposes and not to misuse or tamper with its functionality, services, or data.

4. Account Information

You are responsible for maintaining the confidentiality of your login credentials. All information you provide must be accurate and up to date.

5. Data Collection & Use

By using the app, you consent to the collection, use, and storage of your personal and behavioral data in accordance with our Privacy Policy.

6. Third-Party Integrations

This app may include features that integrate with third-party platforms (e.g., Facebook, Instagram). You acknowledge and accept their respective terms.

7. Modifications to Terms

We reserve the right to update these Terms at any time. Continued use of the app constitutes acceptance of the updated Terms.

8. Termination

We may suspend or terminate your access if you violate these Terms.

9. Limitation of Liability

We are not liable for indirect or incidental damages arising from your use of the app.

10. Governing Law

These Terms are governed by the laws of the State of [Insert Jurisdiction].

User Acknowledgment

By checking the box and entering your initials below, you acknowledge that you have read, understood, and agree to be bound by these Terms.

Lovable Developer Prompts for T&C Integration

1. Display Terms Document:

- Create a modal or scrollable popup window labeled 'Terms and Conditions'.

- Load static content from the Terms document.

- Add a close (X) button and a 'Continue' button disabled by default.

- Enable the 'Continue' button only after the user scrolls to the bottom.

2. Acknowledgment Checkbox and Initials:

- Add a checkbox labeled 'I agree to the Terms and Conditions'.

- Add a text input labeled 'Enter your initials to confirm'.

- Disable 'Continue' until the checkbox is selected and initials are entered.

3. Proceed to Intake Questions:

- On 'Continue', save the agreement and initials to the database.

- Navigate the user to the 'Intake Questions' screen.

- Display a welcome message and begin the intake flow.
